Legend Of War Psp Iso

James rates this game: 5/5 Originally released in 1998 on the PlayStation game console, FINAL FANTASY TACTICS, the first tactical RPG in the legendary FINAL FANTASY series, enthralled fans around the world with its unique artistic style and intricate storyline.. FINAL FANTASY TACTICS: THE WAR OF THE LIONS, reborn and enhanced exclusively for the PSP system, introduces never-before-seen cinematic sequences, an entirely new English translation, 16:9 widescreen presentation and multiplayer features that will reintroduce this classic to a new generation of gamers.. You can explore 3D environments as you progress through more than 50 hours of gameplay.. Shipping more than 1 1 million copies in North America, FINAL FANTASY TACTICS opened the genre to legions of new fans.. Make friends with animals and people alike, as you encounter over 100 characters.. The Legend of Heroes is a turn-based role-playing game set in the fantasy world of El Philden.. The second game in the trilogy is finally released in this PSP-only RPG! Play as Avin and explore the land of Gagharv in search of your lost sister, Emille.

The Legend of Heroes features hundreds of characters to interact with, including 14 playable ones, such as Avin, a hero searching for his sister in the aftermath of a great war.. **STORY:** In days now long past, the War of the Lions rent the land of Ivalice in two.. The fourth game in the Legend of Heroes series, A Tear of Vermilion was In the post-Gagharv era, the land of El Phildin is consumed by allll bitter war.. Fans of the series will notice some changes to Gagharv because of the time elapsed between the first game and this one.. And it is here that two young men of note first stepped onto history's stage The first is a man named Delita Highwind, the hero who would draw the curtain on the War of the Lions, this dark act of Ivalice's history.. The Legend of Heroes also expands upon other games in the genres with the inclusion of pets that can assist you in battle and collect items.. The other, whose role is now forgotten, is a man by the name of Ramza Beoulve Peer through the eyes of these two young men, and uncover the secrets that lie hidden within history's darkened folds.. 50-plus hours of gameplay assure you'll b e kept busy The game also takes advantage of all of the PSP's hardware to create a beautiful and entrancing world which will keep you playing (US).
